FOR SALE INSTANT COPY CAMERA

Your own "Jiffy Camera Shop" can produce within minutes, pictures of coins, stamps and make permanent records of these valuables in the privacy of your own home, office or on a bourse floor.

Our "Custom-Sixty" Polaroid Coin and Stamp Camera Unit, with its own light source, will become a favorite part of your hobby. Did you ever need a picture on a Saturday night? After going out for film, taking amateurish pictures, waiting for them to come back from the shop a week is shot.

With the mobile "Custom-Sixty" Polaroid Unit, one inserts the film pack, places the coin, turns on the light switch, clicks the shutter and in the time of a television commercial, your photo is developed, ready for mailing or ready for you to move onto your next project. These photos are useful in offering an item on approval or for illustrating a catalog or display ad. This self-contained unit is pre-focused.

This portable unit uses Type 87 or 107 Polaroid black and white film. The size of the print of the 107 film is $3\frac{1}{4} \times 4\frac{1}{2}$ inches. This handy camera is not designed for producing color prints or reductions/enlargements. The complete unit measures $5\frac{1}{2} \times 11 \times 11$ inches.

Joseph Lepczyk International Auctions is the sole distributor of this unit. These units are not available from your local camera store.

Separate cameras must be requested for 110 or 220 volt connections. The price for the 110 volt is \$200 postpaid and the 220 volt unit (usually needed overseas) sells for \$255 postpaid including air parcel post fees.

FUTURE AUCTION SCHEDULE

Selected auction lots are now being sought by Joseph Lepczyk International Auctions for outstanding Summer public auctions.

Ready to process your lots are: U.S. coin specialist, Craig Whitford, our foreign coin and medal specialist, Ingrid O'Neil, and the latest addition to our staff, Courtney Coffing, former editor of World Coins Magazine and the International Editor of Coin World.

Upcoming sales include our June 28th auction to be held in Lansing, Michigan and our July 27th in Detroit, Michigan, plus a sale scheduled for early October in Lansing. Our July 27th public auction sale will be held just prior to, but not in conjunction with, the American Numismatic Association Convention in Detroit, Michigan. The sale will take place in the evening of PNG Day (Professional Numismatists Guild).

Our July 27th sale will be limited to 1000 lots, divided between U.S., Canadian and World coins, plus ancient coinage. The estimated value of each lot will not be less than \$250. For our other sales, we prefer lots valued at a minimum estimate of \$85 per lot.

Also on our auction schedule is a sale scheduled for November 23rd and 24th in Dearborn, Michigan. This will be in conjunction with the Michigan State Numismatic Society's Annual Fall Convention.

Space should be reserved as soon as possible for these Summer sales. Preference is given to early consignments.

Deadlines for the above mentioned auctions are:

Sale Date	Deadline
